## DEPARTMENT OF EDUCATION 2016 NATIONAL SCHOOL CENSUS PROVINCIAL, SECONDARY AND NATIONAL HIGH SCHOOL

The Department of Education (DoE) uses an efficient method for gathering data from all schools in the country. Once a year forms are distributed and collected from all schools during School Census Week. This data will be used to chart the progress of the National Education Plan and assist provinces for future education services.

Principals are being asked to fill out these forms accurately and honestly as possible. Hold one copy for your school's record, send one copy to the District Education Officer (DEO) and two copies to the Provincial Education Advisor (PEA). The PEA will verify and send one form to the EMIS and Statistics Unit of DoE as the official record for your school.

The Department wants to thank you in advance for taking time to carefully fill out this form and for assisting us in gathering more accurate and useful data on schools in our country.
