The same procedures will be used also when considering applications from the auxiliary members and other overseas persons.

In a case where a national and a non-national apply for a particular vacancy and are both considered eligible and qualified, preference shall be given to the national officer. In other words, auxiliary members including volunteers shall be considered and appointed only after it has been determined that no suitably qualified and experienced national officer is available or has applied to be promoted or transferred to the vacant position.

When considering the appointment of contract officers the appointing authorities must take into account the officers' contract expiry dates. Applications by those whose contracts expire at the end of this year should not be considered unless there is evidence that their contracts will be extended.

VITAL INFORMATION

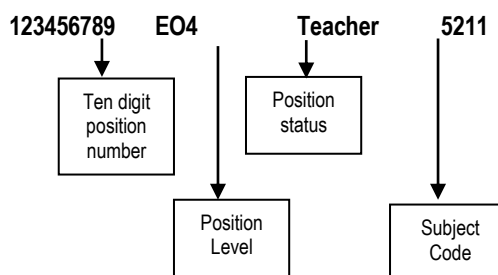

TEACHER APPLYING TO ADVERTISED VACANCIES.

You will notice some changes in the process to apply for advertised positions in schools and colleges.

THE VACANCY GAZETTE

The Vacancy Gazette contains the same information in previous years but some features are slightly different. The most significant and noticeable change is the numbering system for each position. The familiar position number, combining the Province, school and position level details system used in past years, is not the same. The HRM system introduced in 2003 uses a different numbering system that allocates a unique, 10-digit number to each position.

For this year you will notice position details in the Vacancy Gazette are laid out in the following way:

THE MOST SIGNIFICANT CHANGE IS IN THE POSITION NUMBER

As teachers apply for advertised positions, it is important they pay special attention to each aspect of each position - especially the position number.

Please ensure:

You apply for a position at the level for which you have eligibility (e.g., TS04).

You understand the subject codes for positions in schools or college.

You write the position number accurately in both your application for each position (TSC Form 28/29) and your preference list of schools (TSC Form 30).

You understand the requirements for teaching in a church agency school.

Errors made in completing the information you provide may lead to you being excluded from a position for which you applied.

APPLYING FOR MULTIPLE POSITIONS

As in past years, you apply for a position (or positions) you see advertised in the Vacancy Gazette.

However, for this year you will also be considered for any other positions in the same school at the same level for which you hold eligibility. If you apply, for example, for a TS05 position in a college, you will have a priority for appointment to that position. This is the same process as in the past. However if there are

other positions at the same level in the same college, you may be considered for them as well.

You do not need to submit a separate application for these additional positions. If you are successful in an appointment to one of these positions, you will hold tenure to it.

The reason for this change is to try to provide opportunity for as many teachers as possible to be appointed to tenure rather than acting positions.

ELIGIBILITY

This will have been achieved through a personal inspection by an Inspector. You will have been notified in writing of your eligibility.

Without the appropriate eligibility, you cannot be considered for any advertised promotional positions. Your eligibility remains active for 3 years and is checked as part of the selection and verification processes.

PREFERENCE LISTS

If you have applied for any advertised positions, you must send your list of schools/college (Form 30), in priority order, to the Central Sorting Unit. This will ensure you are considered for the positions and schools/college in the order of your preference.

APPEALS AGAINST APPEALABLE POSITIONS

The National Education Board (NEB) makes appointments to the positions advertised in the Vacancy Gazette. Some positions may be declared appealable.

There are agreed processes that members of the Board use to make their appointments. There may be instances where the NEB is not unanimous in its decision and so make the position appealable.

You are entitled to appeal against an appealable position once appointments have been published in the Confirmation Gazette. To register your appeal, you must put it in writing to the Teaching Service Commission (TSC) five (5) weeks after the date of Confirmation Gazette.

Appeals received after this date will not be considered by the TSC.

Your appeal will be considered by the TSC and you will receive a response in writing when it has been resolved. All appeals will be resolved by the TSC and teachers will be notified.

Appointing Authority is under no obligation to find an alternative posting for a teacher who refuses or rejects a posting. When a teacher rejects a posting, there is no guarantee he or she will be posted to another location.

Once a teacher has refused or rejected a posting, they can only be re-appointed to it if no other teacher (including a graduate) accepts it.

Teachers who refuse or reject a posting are in serious risk of being suspended from the payroll at the commencement of the following year.

CONFIRMING YOUR TENURE APPOINTMENT PROMOTION

You must Take up a Tenure appointment you applied for and won. Failure to do so by the start of the school year may result in forfeiture of your right of tenure and if it is a promotional appointment loss of the promotion.

Accepting a NEB Acting Appointment above a newly non Promotion or Tenure position. If you are offered an acting appointment above your new tenure or promotional position you must request TSC approval. TSC will advise if the move is permissible or not.

CHURCH CODES AND PHILOSOPHIES

THE FOLLOWING ARE SETS OF CHURCH CODES, CHURCH PHILOSOPHIES AND CHURCH IDENTITIES

Interested applicants to advertised vacancies in Church Schools are expected to study these codes, philosophies and church identities carefully before lodging their application.

CHURCH CODES:

The following, subject to the approval of the Governing body and the appointing authority, have been accepted for use in advertising Church Agency vacant positions.

Church Agencies using Church 2 or Church 3 of the following requirements have agreed to undertake to provide, as soon as possible, opportunities for members of the Teaching Service to obtain such additional qualifications.

For any position:

CHURCH 1: Member in good standing of a Christian church; and willing to uphold and abide any Christian values so as to promote and develop a Christian community; and to observe the requirements of the identity statement of the agency.

For any position:

CHURCH 2: Demonstrated ability or training in teaching a Christian religious education programme of the agency concerned, and willingness to use that ability or training.

For Principals, Headmasters, Managers and Christian Education Coordinators:

CHURCH 3: Willingness to organise a Christian religious education programme within the institution and evidence, acceptable to the agency concerned, of the ability to do so.

EDUCATION AGENCIES – GENERAL STATEMENTS OF EDUCATIONAL PHILOSOPHY AND IDENTITY

8

The Teaching Service Act provides that Education Ag may publish, in connection with or in relation to an advertisement of vacant positions, a general statement of its educational philosophy and identity for the information of intending applicants.

Current Duty Statements for members include a requirement that they act:-

“to promote the role of the school in relation to the community it serves in accord with the stated educational philosophy, objectives and identity of the agency”.

Following are the statements of philosophy and identity for the respective Church Agencies.

ANGLICAN CHURCH OF PAPUA NEW GUINEA

The aim of Anglican Schools is to provide a place in which a child:-

learns, in the Christian family, to know, love and serve God and his fellow man; develops as far as he is able, in body, mind and spirit, and becomes a mature Christian person.

The Anglican Schools are part of the education system, and in its schools the Anglican Church tries to help build a secure, happy nation.

The teacher is expected to work for these aims, both in his job, and in his way of life. The Anglican Agency wants teachers in its schools to think and act in a Christian way about anything that may happen.

The Anglican Agency wants parents and the community generally to share in the management of the schools, so that everyone may work together towards the aims stated above. However, the teachers are responsible for the work and conduct of the school. This should not be interfered with by other people who are not in a position of authority.

As the schools are Church Schools, religious education must have an important place in the programme.

It is part of the programme for children to say prayers together, and we like teachers to take part in these prayers.

The Parish Priest is responsible for the pastoral care of the school, to work where appropriate through the Board of Management, and we like teachers to be ready to help the priest in this care.

Teachers in Anglican schools must respect Christian values. For example, teachers are asked to obey the marriage laws of the Christian church. Teachers who are against Christian beliefs and the Christian way of life are not welcome.

Children who are not Anglicans may go to Anglican schools. Such children may have instruction in their own faith from a representative of their church.

Teachers who are not Anglicans are welcome in Anglican schools if they are able to work according to the Agency's aims.

THE IDENTITY STATEMENT OF THE CATHOLIC CHURCH

This identity statement includes a statement of the Catholic Philosophy of Education and a list of Characteristics of the Catholic school or college.

Catholic Philosophy of Education

A Catholic school or college is a means which the Catholic Community uses for the purpose of giving students an academic vocational and religious education.

By means of the Catholic community schools, vocational centres and high schools, parents are assisted to lead their

children to full integral human development. This involves a knowledge of, and faith in the saving and expression of that faith in community worship and personal behaviour.

By means of the Catholic Teachers' College, the Catholic community ensures that teachers are suitably informed and qualified to fulfil the mission of the Catholic school in respect to full integral human development.

Characteristics of and Requirements for the Catholic School or College

Arising out of the above philosophy, the identity of the Catholic school or college has the following characteristics and requirements.

regular Catholic religious instructions (allocating from within the normal schools hours):

150 minutes per week in community, primary schools and vocational centres; and

160 minutes per week in high schools; and

sufficient time as determined by the agency, for the training of student-teachers in colleges in method and content of Christian Education), and

class and school worship approved by the Catholic Agency; and

training in personal responsibility and discipline leading to Catholic standards of behaviour and community service; and a spirit of Christian love, trust and joy which leads to the combining of what goes to make up the religious, academic, social, cultural and vocational development of the students; and

a special part to be played by the parish priest or chaplain as a person responsible for the spiritual life of the school; and teachers who give regular religious instruction as above or unable it to be given; and headmasters who ensure that is given; and

respect for the teaching, customs and moral standards of the Catholic Church (including obedience to marriage laws of the Church and temperate behaviour in respect of alcohol use), and the observing of Catholic standards of conduct both in and out of the school, on the part of all teachers and headmasters; and

teachers and headmasters who accept the discipline required by the governing body to actually form Christian citizens in and for this nation; and

teachers and headmasters who apply the statement of philosophy outlined above, and fulfil the requirements contained in this identity.

EVANGELICAL ALLIANCE EDUCATION AGENCY

The Evangelical Alliance believes that to be complete, education must prepare a child for life spiritually as well as socially, mentally and physically. It believes that Christianity holds the answer to life and that Christianity has a point of view (namely God's point of view) about most things in life. Therefore, while it believes in Bible for Christian principles of life and living), it also believes that as situations arise, be they personal, local, national or even world situations, there is a need for the relevant Biblical principles to be in general. This can only be done individually as situations naturally arise.

For its school, then, the Evangelical Alliance needs teachers who:-

will promote Christian belief and conduct in their pupils by a Christ honouring life;

will teach the Christian Education programme offered in its schools, this usually being a daily period;

are able to bring a Christian point of view of life situations.

THE PHILOSOPHY OF THE HIGHLANDS CHRISTIAN MISSION EDUCATION AGENCY

The Highlands Christian Mission is an international inter-denomination organization serving as an education agency for the Yagusa Community School and the Okapa Provincial High School. One of its primary responsibilities is to maintain and develop these schools in such a way that a strong Christian witness is exerted, extending into the communities represented by the students enrolled. The Agency believes that a well-rounded education results in spiritual as well as mental and physical development.

The Mission subscribes to the basic evangelical doctrines found in the creeds of major Protestant denominations such as Presbyterians, Lutherans, Methodists, Congregationalist, Anglicans and other evangelical bodies. These doctrines affirm that:

The Bible is the inspired Word of God, the supreme authority in all matters of faith and contact.

God is manifest in three Persons – Father, Son and Holy Spirit, co-equal in power and glory.

The Father is the creator and sustainer of the universe..

The Son, Jesus, is the promised Messiah, the Saviour sent from the Father, conceived sinless by the Holy Spirit and born of the Virgin Mary. By His death on the Cross He atones for all the sins of all who repent and believe in Him. He arose bodily from the grave, ascended into Heaven and is the Christians' only High Priest and Mediator. He has prepared a place in Heaven for every believer and will one day return to earth as He promised.

The Holy Spirit convinces the sinner of his need of the Saviour. When the sinner represents of his sins and believes in Jesus Christ as his Lord, the Holy Spirit regenerates, encourages, comforts and sanctifies him.

Salvation is by the unmerited favour of God through faith alone is Jesus Christ as personal sin bearer.

The Christian Church is composed of all who have experienced the new birth.

The two Sacraments incarnated by Christ for all believers are Baptism and the Lord's Supper.

Teachers, therefore, who are like persuasions and who are willing to work together as a team are welcome to serve with the Agency.

Realizing the immeasurable harm arising from the use of alcoholic beverages, the Agency in the interest of its teachers and students request both to refrain from drinking while on Mission property.

Teachers will be encouraged to participate in the Mission's religious, social, recreational and educational programme within the community.

SALVATION ARMY AGENCY

The Salvation Army operates schools in Papua New Guinea because of a desire to help meet the full need of a person's body, soul and spirit. Without an adequate education a person is handicapped in fulfilling his or her true destiny and achieving true satisfaction both for himself and for this end the Salvation Army seeks teachers who are not only efficient in teaching the educational syllabus agreed to by the Education Department, but will, both by teaching precept, present a strong Christian influence and point of view.

Therefore a teacher will be expected to:-

Seek to maintain and to provide Christian belief as taught in Scripture.

Allow a Salvationist to conduct Christian Education lessons if the class teacher has insufficient background in Christian doctrine.

Develop and maintain a good relationship with the teaching staff and community.

Seek to develop the whole child, physically, emotionally, socially and spiritually.

Work in harmony with the agency in upholding the agency's beliefs.

THE LUTHERAN AGENCIES

The people in Lutheran Agencies schools form a Christian community which lives in response to God who created and keeps the people, has saved them, and gives them faith and life, as shown in the Bible.

The Lutheran agencies have the privilege and responsibility of providing a Christian Education for children according to the invitation and promise of Mathew 28: 19, 20: "Go, then, to all people everywhere and make them my disciples; baptize them in the name of the Father and of the Son and of the Holy Spirit, and teach them to obey everything I have commanded you. And remember! I will be with you always, to the end of age".

The Lutheran agencies are specifically responsible for assisting Lutheran parents in the Religious Instructions of their children.

The Lutheran Agencies aims to develop the whole child; physically, mentally, emotionally, socially, as well as spiritually; and to develop persons responsibly to God in regard to other people, to their church, to their country and to themselves. This aim includes the developing of a sense of Christian service in whatever vocation a student later enters.

It is the teachers who are the primary means by which the goals of an educational system are achieved. The Lutheran Agencies believe that the teachers behaviour in and out of the classrooms provides a curriculum which deeply affects the lives those being taught. As such, teachers uphold and abide by those customs, values as part of the Education System under the relevant Acts of Parliament. However, a teacher in a Lutheran Agency is also considered to be partner with the workers of the Church in that area.
